BRAND PROPOSAL · OCTOBER 2026

MACH SCHNELL

A proposed visual identity for the club, built on '70s and '80s endurance racing: bone paper, black, one signal red, wide German-style lettering and a two-band club stripe. Classic and confident, made to work on a car, on Instagram and on a website.

01 LOGO

Ring badge is the primary logo (stickers, merch, banners). The striped MS disc is the Instagram avatar and small mark.
